Glimpses of God at work

through World Missionary Press, Inc.

Cried to Jesus on the Snow Bank

"I'm just an ordinary feller from North Dakota, and until last year I never thought to amount to anything more than a worthless drunk. But I'll never forget Christmas '09. I was panhandling in Minot half drunk (hoping to get enough for another bottle), when a kindly old man with a gray beard handed me your booklet, *Help From Above*.

"Well, I read the whole thing then and there—I didn't have much else to do. I got down right then on the snow bank, cried to Jesus, and haven't had a drop since." —M.H., North Dakota

Backslider Brought Back

"After backsliding, I came across the booklet *Satan vs CHRIST* and it totally convicted me of my sin. I am on fire again and want to share this with my brother who is a Christian and my uncle who is not. If you could keep me lifted up in prayer, I would appreciate it! I have had a very difficult year and have finally been brought back through this booklet. Obviously this was not by chance, but by divine appointment." —D.C., Wales

Teenager Encouraged to Share the Gospel

"My son has been giving out *Help From Above* [Scripture booklets]. They have really encouraged him to share the gospel and give his testimony. I was so proud to see for the first time how he applies what he has learned at home to the mission field. He is 15 years old. The best thing about these booklets is the many Scriptures. Thank you so much for this ministry."

New Christian Witnessing in Chicago

"I was saved last month. When I was in the lunchroom at work, I found a few of your booklets. I took them, and they ministered to me. I ran into people at work and outside of work, and I was witnessing Jesus. I gave them the booklets.

The booklets are such a God-send!

"Chicago has several homeless people and those who panhandle by the expressways and streets. Those booklets are good to give to the least, the lost, and the last. I also witnessed to my sister's husband. He said, 'Although, I look mean, I am not.' He said that no one had ever approached him about Jesus. . . . So I am becoming active in witnessing, and I want to give your booklets. They are very easy to read and understand. They are so comforting! . . . I would like to assist and volunteer to help The Great Commission." —M.C., Illinois

Datebook Helps Walk with God

"Your *Scripture-text Datebook* has walked with me in my steps to have a personal relationship with God. This Datebook has given my walk with God (Jesus Christ) so much joy and peace to my heart and soul. . . . Being in prison is not going to stop me from growing in the Word of God."

—D.B., Pennsylvania

Young People in Norway Received Christ

"Thank you for the 7,000 booklets we received from you last month in the Norwegian language. . . . Yesterday we gave out about 70 booklets in open-air meetings, and seven young people received Jesus Christ as their Savior!" —H.R., Norway

Colombians Extremely Hungry for God

"I just received your donation of booklets for our missionary trip to Colombia, and I am so thankful to you and World Missionary Press for this great blessing. Last year when we did the mission in Antioquia, Colombia, it was a great blessing, but sad to say that we ran out of material to hand out on the third day. People were asking for them left and right. The Colombians are extremely hungry for God and want to get their hands on anything that has to do with God. Pastors have even written me over the year, asking to send them material, since it is nearly impossible to get any tracts there, and if you do find tracts, they are too expensive to purchase."

—J.F., Illinois
