Boys and girls in countries around the world need to learn about Jesus and His love. By reading Scripture booklets in their language, they can know how to have their sins forgiven and receive the gift of eternal life.

Please send offerings in a check to the address below. If you can, please also send a photo and/or a description of the project you used to raise funds.

Missions Ideas for Children

For your children's ministries, Sunday School, children's church, or VBS— You will find here a variety of suggestions for your consideration as a focus for your children's ministry missions offering.

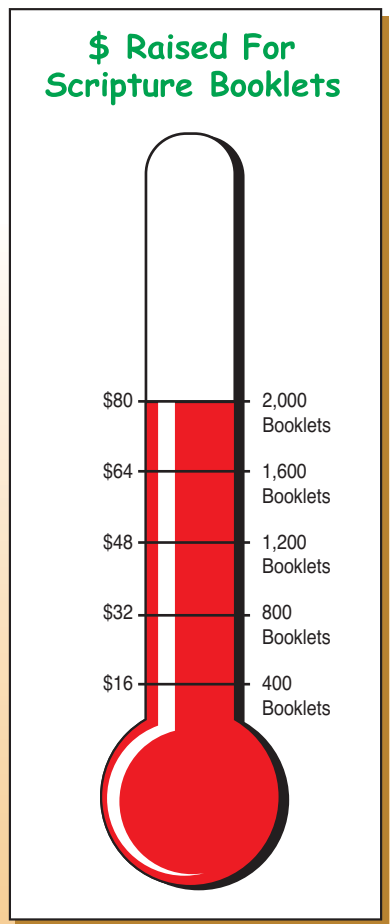

These project ideas relate to **reaching boys and girls in other countries with the powerful Word of God.**

What better investment can there be! What better way to encourage children to begin focusing on worldwide outreach and **the influence they personally can have in fulfilling the Great Commission!**

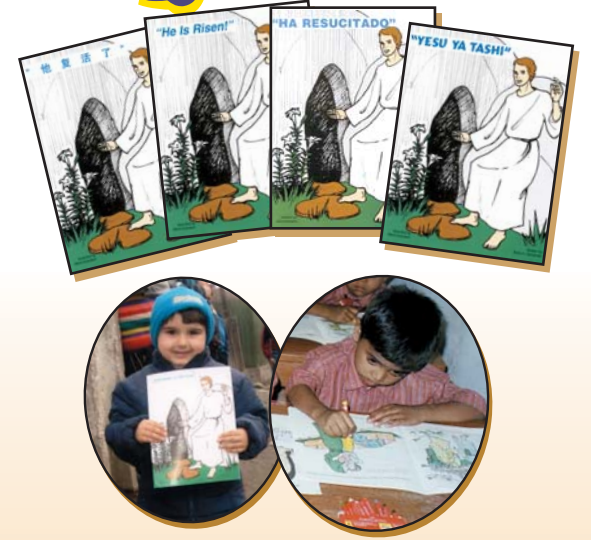

Idea #1 Thermometer Display

Idea #2 Salvation Coloring Books for Children in Other Countries

Make a large poster of a thermometer showing funds raised for *The Way to God* Scripture booklets. Color with a red marker as funds increase. Adjust the numbers on the poster according to your expectations.

Your children can provide 32-page *He Is Risen!* salvation coloring books, filled with pictures to color and excellent teaching from God's Word, for other children in the States or in Mexico, Russia, Romania, Brazil, or other countries.

The cost to print 1,000 coloring books (at 19 cents each) is \$190; **2,500** coloring books cost \$475; **5,000** coloring books cost \$950.

WMP can provide a variety of languages for the *He Is Risen!* coloring book so that you can use them to make an attractive poster or project display.

If you wish, you could announce that **for every \$10 raised, a picture of one coloring book will be added to a display** at the front of your meeting room. (You can photo copy the front cover of a *He Is Risen!* coloring book, making enough copies to represent the offering raised.)

Idea #3

Boxes = Fulfilling the Great Commission!

Children respond well to the challenge of raising funds to pay for boxes of Scripture booklets to be sent around the world.

As each \$20 in offerings is collected, another box can be stacked in front of the meeting room. An offering of \$300 would add up to a stack of 15 boxes. Or an offering of \$500 would build a tower of 25 boxes!

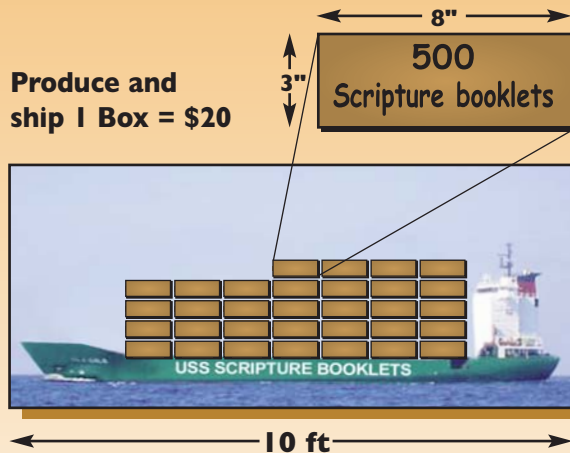

Every filled box contains about 500 Scripture booklets, ready to tell boys and girls in other countries about the love of Jesus.

WMP can loan you empty boxes for this purpose. You can arrange to pick up boxes at WMP.

1 Box = 500 Scripture Booklets!

Idea #4

Shipping Scripture Booklets to a Foreign Country

1. Make a paper or cardboard ship about 10 feet long, proportioned similarly to the picture above. Post that ship at the front of your meeting room. You could label it, **USS Scripture Booklets**.

2. Cut out rectangles from cardboard or brown paper to represent boxes of Scripture booklets. If your ship is 10 feet long, the boxes should be 8" long and 3" high. You could write on each box **500 Scripture booklets**.

3. Tell the boys and girls that **for every \$20** they bring for their offerings, they can **put one box on the ship to be sent to a foreign country**.

4. The goal is to pile the ship as high as possible with boxes of Scripture booklets.

Idea #5

Faces of the World

Prepare a large colored drawing of the world (about 10 ft. wide) to post at the front of your meeting room. Have the students color the faces of children from other parts of the world. (You can download these faces from our website: www.wmpress.org/children.shtml). As every \$20 comes in for the missions offering, one of the children can glue or tape one of the colored faces onto the world.

This serves as a visual reminder that your students are touching other children around the world with God's Word. At some point, each child can be given a copy of *The Way to God* Scripture booklet OR *He Is Risen!* salvation coloring book as a reminder of the ministry they are supporting. (Request enough free copies for this purpose.)

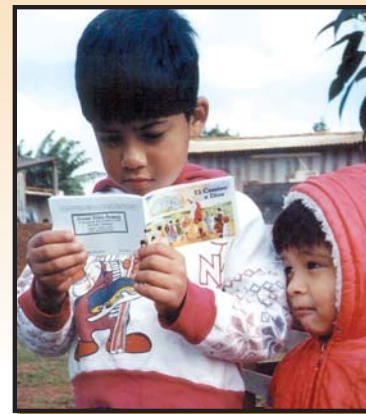

Idea #6

Buy a Roll of Paper

One 35"-wide roll of paper for our big printing press, costing about \$1,000, can produce the inside pages of more than 80,000 48-page Scripture booklets.

An investment of about \$500 provides for the inside pages for 40,000 Scripture booklets like *The Way to God*.

Your offering of \$500 or \$1,000 could reach 40,000 to 80,000 children with the gospel!
