Additional languages are being added regularly to enhance access to God's Word in every corner of the world.

For **Bhutan and Tibet**, two new titles have been printed for shipment via India. *The Way to God* booklet in the Lepcha and Dzongkha languages are now available from WMP.

## The Seed of the Word— Hard at Work Day by Day

Syd and Liz invited several Muslim friends to a Christmas party. Ladies representing **Libya, Yemen, Syria, and Lebanon** experienced a wonderful time of singing carols and sharing delicious food. Using an Arabic New Testament from World Missionary Press, two girls from Syria and Yemen read aloud in Arabic from Matthew's gospel the account of Jesus' birth and the visit of the wise men. Liz and Syd talked about the miraculous birth of the One who is the Savior of the world. Following the talk, six ladies willingly received Arabic New Testaments.

Seeds were planted in the hearts of those precious women. God will give the increase.

**Each day WMP sends "seed packets" to sowers around the world.**

Sometimes seeds are sown around a kitchen table, sometimes in a busy street market, sometimes along remote moun-

Often the school visitor takes the students through the booklet verse by verse. In 2010, workers with New Generation Ministries using WMP booklets visited **5,669 schools**, reaching 44,734 teachers and

Expenses were \$536,046 more than total support and revenue. However, a contribution receivable of \$523,393 from an estate (reported last year) was received early in the year, which was used in operations, enabling steady production volume.

### Interesting facts:

## Focus on Giving

**E**VERY DOLLAR donated to WMP provides for the production of 25 power-packed 48-page Scripture booklets, or its equivalent volume, on average.

**1. Remembering WMP in their will** enables donors to leave an eternal legacy, often at a crucial time of opportunity.

**2. Transferring appreciated stocks** as a tax-deductible contribution is an immediate blessing. Our Edward Jones account number is 943-07667-1-8; the DTC# is 0057.

**3. Sponsoring a roll of paper** for an average of \$1,055 appeals to many. Each 35-inch wide, 1,500-pound roll of dead paper comes alive as it emerges from WMP's web press, with the powerful Word of God printed on the inside pages of 85,000 48-page Scripture booklets.

687,196 students. From those visits **549,756 people professed salvation** through Jesus Christ. God gave the increase. **You are helping reach thousands of children and their teachers** with the most important message of their lifetime.

WMP's national coordinator for **Madagascar**, Dries Du Plessis, and his staff prayed over 42 boxes of Scripture booklets before sending them to the capital city for distribution. In **cafés and shops, universities and office buildings**, the booklets will be read and additional seeds sown.

**Great quantities of WMP literature have reached the people, thanks to generous response from WMP supporters.**

**Prisoners in South Carolina** have received WMP booklets from other inmates. Billy K. wrote, "The materials that WMP provides are so vitally important. Inmates, studying in a prison initiative program, minister to the men locked behind cell doors. Often it is hard to talk to everyone on a cell floor in one night. This is when the small Scripture booklets become worth their weight in gold. They are distributed around, and the inmates welcome them openly. The booklets always seem to create questions and pique interest in the Scriptures. This sets up a great opportunity to use the more in-depth Bible study booklets. They not only help the inmates with studying [the Word, but also they] allow them to see that there are people outside the fences who really care about their spiritual journey." **You are helping to sow the seed in a dark and desolate place.** God will give the increase.

What may seem to us as stony ground can still produce good fruit. In many European countries, response to the gospel is cold indifference. **Yet hearts that appear cold are often broken and desperate.** In Spain, WMP distributors are in "great need" of booklets. They receive requests weekly and are busy evangelizing in isolated villages. Training migrant nurses and nurses who look after the elderly to share Scripture booklets with their patients gives another avenue of sowing seed in areas that are unreached. God is giving an increase.

Your ongoing involvement with World Missionary Press creates ongoing impact in hearts and minds of multiplied thousands.

For WMP's production team there is always the challenge of providing seed for every sower who asks. Robertson O. of Nigeria expressed deep appreciation for the five boxes of materials he received. To give the booklets wider spread and **in view of limited quantity available**, he decided to share with pastors in a few churches five Bible study books and ten small topical Scripture booklets—just 15 booklets *per church!* He wrote, "We are **requesting bigger quantities**, as there are hundreds and hundreds of pastors to reach in this part of Nigeria."

The need is so great that often WMP's country coordinators wait up to a year or more for a container of materials to replenish depleted supplies. **The need is to GROW production, NOT SLOW production.** We look to God and His people to increase the funding needed to pay for paper and shipping. He has already supplied the facility, equipment, and workers (including volunteers) with the potential for greatly increased production!

Much of **Southeast Asia** may seem like **thorny ground for the gospel**, but still the seed falls on the fertile soil of receptive hearts. WMP's Scripture booklet, *Help From Above*, has been recently translated into the Zangiat language for **Myanmar**. On the day of dedication for this new tool in reaching the Zangiat tribe, approximately 20,000 booklets were distributed to pastors, missionaries, and evangelists from different churches. Additional copies will be sent into the hill

regions. WMP's coordinator Martin L. explained, "The people are very happy to receive the booklets, as **it is the first Scripture booklet in the Zangiat language.**" God will give the increase. **Your support for production of new languages is always a blessing.**

"We would like to thank you for sharing your booklets with us," wrote M.C. from Aruba. "The missions this year in **Aruba, Dominican Republic, and Haiti** were overwhelming. We are so blessed that we had the opportunity to share WMP booklets. Distribution of the 28 boxes we received was a great success. We are praying for the distribution of the booklets in Hindi, Chinese, Arabic, and other Asian languages, since we have a big community on the island [who speak those languages] and they hold on to their religion." God will give the increase.

From 40-foot containers carrying over 4,000 boxes destined for a centralized location within a country to one small box sent via international mail to an individual, **World Missionary Press Scripture booklets are covering the globe.** God has His sowers ready to enter the fields, no matter the condition of the soil. The seed is the Word of God, and the Spirit of God will energize that seed to grow.

Through your prayers and financial support **you are joining in the work of God in drawing precious souls to Himself.** You are involved in eternal matters!

Lonely broken women in Spain, children in Madagascar, villagers in Myanmar, all need to know the precious truth that God loves them and has provided a way for them to live with Him eternally.

*[A gift of \$100 will reach more than 2,000 people with a Scripture booklet in their own language. An investment of \$1,000 will touch more than 20,000 lives with the seed of God's Word.]*

**During an outreach in Botsobello, South Africa, these energetic young people received special 2-in-1 Scripture booklets containing Help From Above and The Way to God.**

## STATEMENT OF FAITH

**WE BELIEVE** the Bible to be the inspired, the only infallible authoritative Word of God. We believe that there is one God eternally existent in three persons: Father, Son, and Holy Spirit. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that for the salvation of lost and sinful men, regeneration by the Holy Spirit is absolutely essential and that salvation comes by grace through faith in Jesus Christ alone. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. We believe in the resurrection of both the saved and the lost—those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation. We believe in the spiritual unity of believers in our Lord Jesus Christ.
