Part IV Supplemental Information

Complete this part to provide the information required in Part I, line 2, and any additional information.

Part I, Line 3, column (f) — Program services, printing Scriptures

World Missionary Press at times finds it necessary to outsource the printing of its Scriptural materials to printers in foreign countries. Quotes are sought, and at the time of approval of the project(s), half the funds are transmitted, either directly to the foreign organization/individual or to its U.S. base for forwarding. Upon completion of the project(s) and receipt of an invoice (and subsequently, sample copies of the printed pieces), the balance of the payment is remitted. The Scripture booklets, Bible study booklets, salvation coloring books, or New Testaments are supplied to local churches and ministries free of charge for free distribution in these nations.

Part I, Line 3, column (f) — Program services, shipping Scriptures

When warranted by a widespread need for WMP Scriptural materials within a country, WMP ships pallets and 20-ft. or 40-ft. containers from the plant in New Paris. For ministries who are willing and able to import materials into their countries and coordinate distribution of the contents to other ministries on a volunteer basis, we reimburse the expenses of clearing the container through customs, transporting it to their location, and direct expenses of distribution within their countries incurred on behalf of WMP. We may advance funds needed immediately upon arrival of the container, but we require documentation of expenses: copies of paid invoices and customs documents. For further reimbursement we require itemized monthly reports of expenses and the number of 10-lb. boxes dispersed and the number of boxes remaining in their inventory. In some instances, the container is purchased for them to keep for warehousing materials.

Part I, Line 3, column (f) — Program services, travel by WMP personnel to and from the region

WMP personnel periodically travel to selected countries of the world where its materials are printed or distributed. Overseas trips require Board approval, and in most cases these trips are funded with contributions restricted for that purpose. This year two trips were made: In October, 2009 the president of WMP returned from East Asia with a colleague after meeting with several contacts who are involved with overseas printing, as well as working with a videographer to shoot footage for use in preparing DVD reports to WMP supporters. In November, 2009, the Director of Global Distribution and his wife (the treasurer of WMP) traveled to and from East Asia. They participated by invitation of an organization with whom we network extensively in the distribution of Scriptures. These trips were funded by restricted contributions donated the previous year and deferred to this year, when the restrictions were satisfied.
