

We are living the last days of 2014 and for the Grace of the Lord Jesus Christ, we can testify that God reached more souls in this year than in many other years.

The Holy Spirit awakened thousands of Christians who for decades forgot the purpose of Christianity. We have testimonies of Christians in many Congregations as well as of Pastors and Leaders of Evangelism who confess that they did not care for the Great Command.

At present MexicoEHC is working with every Christian Denomination in all our National Territory and also the Lord has guided us to Guatemala, partially in Belize (Spanish speaking people) and three Southern States of the United States of America: Texas, California and Arizona. In Mexico, our Regional Promoters have jumped mountains, crossed rivers, walked through deserts and jungles, looking for the last home in Mexico just to deliver a tract with the printed message.

We have found the poorest areas in our Country where people still living without light service and drinkable water; in "houses" without roof or walls, floors of earth. There are not schools so that people have no education to know about birth control or other ways to get a better level of living. There, the Word of God is elemental.

They need to know that Jesus can make the difference and there the Lord has already reached thousands souls for salvation. Some Christians tell us that MexicoEHC reaches the poor and ignorant but seldom we reach the well educated or rich people. It is partially truth, but the Lord also knew that rich people put their trust mainly in material things than in spiritual issues when He declared . *"...I saith unto them, Children, how hard is it for them that trust in riches to enter into the kingdom of God!"* (Mark 10: 23-27).

MexicoEHC has the vision for 2015 to reach also the heads of criminal gangs, kidnappers, drugs, arms and people traffickers, prostitutes (men and women) and also illegal immigrants. We need your prayers for this great project. The reason the Holy Spirit put this goal in our heart is that the root of our people's ignorance, poorness and lack of faith is due to the control that these kind of people has had on Mexicans for many more than 80 years. Our people is sad, far away God because they do not know Him. This is our duty to introduce them to the Bible and show them that there is other way in life, and **this Way is only Jesus Christ**. Pray for us as we start this journey next 2015.

THANK YOU WPM FOR BEING WITH US DURING 2014, SUPPORTING OUR MINISTRY WITH YOUR EVANGELISTIC MATERIAL!!!

YOUNG PEOPLE DEVOTE THEIR FREE TIME AFTER SCHOOL, IN ORDER TO SEAL WMP TRACTS BY HAND BECAUSE THEY HAVE NO MONEY TO GET A SEAL WITH THE NAME AND ADDRESS OF THEIR CHURCH.

THEY LIVE IN A LITTLE TOWN AMED "COFRADIA" IN SANTA LUCÍA, MIAHUATLÁN, OAXACA WHICH IS THE THIRD POOREST PLACE IN OAXACA AND THE SEVENTH IN ALL MEXICO. IT IS COMPARABLE TO THE POOREST COUNTRY OF SOUTH AFRICA.

AFTER SEALING, THEY PRAY AND THEN, TOGETHER WITH OTHER ADULTS VOLUNTEERS, GO OUT TO DISTRIBUTE THE PRINTED MESSAGE TO PEOPLE IN THEIR TOWN.

Volunteers go home to home telling people that Jesus want to save them.
This is in Zacatecas.

The youth need to be reached for Jesus in order for them to get a different perspective of life. Here, our Volunteer first testified to this young girl and then her Mom came out to listen also the Message of Salvation. It is in Poza Rica, Veracruz

Christian Volunteers walking in the suburbs of Los Angeles, California just to tell our Spanish speaking people, how much Jesus loves them.

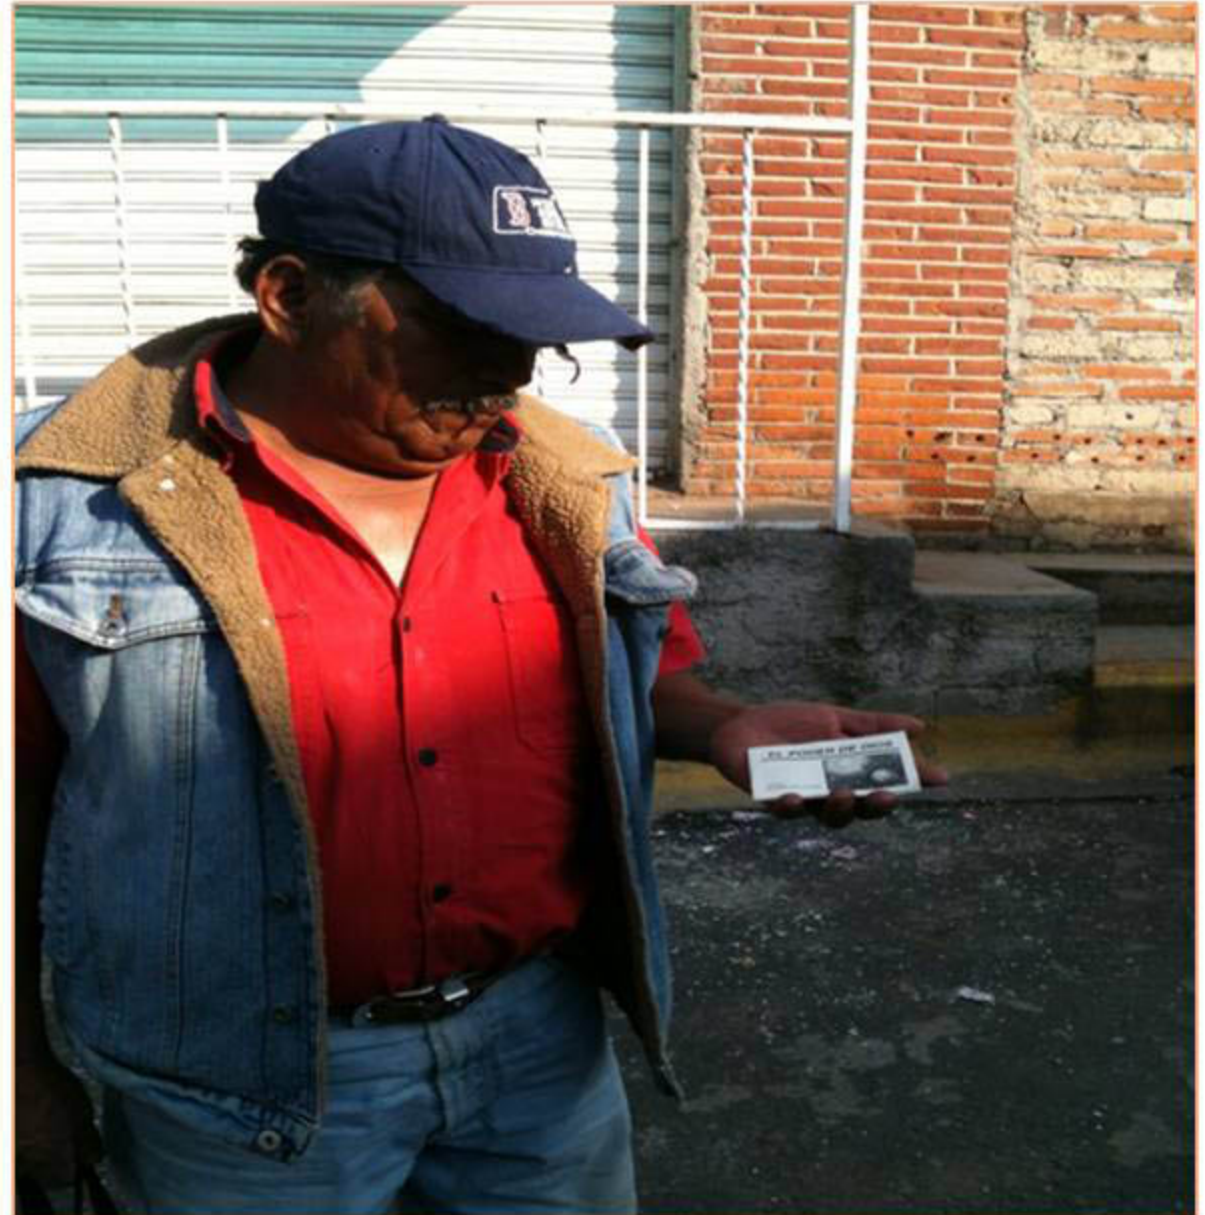

Also adults get interested on reading the printed Message and they stop to listen our Volunteer's testimony.

We trust the Lord is reaching many souls who deserve to have, at least, one opportunity to change their life and find Jesus.

He is Roberto Q and lives in Ecatepec, State of Mexico where people live with fear because criminal gangs have settled their activities in this city since 12 years ago.

There it is very common to find death bodies in streets or hanged on bridges. Don't you think that it is very urgent to evangelize this people?

A FULL FAMILY RECEIVED JESUS AFTER RECEIVING A TRACT FROM WMP AND THEN THEY STUDIED THE STUDIS OF MATHEW AND JOHN AT THEIR HOME. NOW THEY ATTEND LOCAL CHURCH "BETHEL" IN TANQUIAN, SAN LUIS POTOSI.

Brother Abraham H (34) has devoted his life to evangelize children. He lives in Frontera, Guatemala and has formed a group of 31 teen-agers and children who devote their free time to walk in their communities in order to deliver a WMP tract in every home and in open areas where people gather.

Pray for these children, that evil never dares to apart them from the love of Jesus.

A Team of young Volunteers who have devoted every Saturday to evangelize their communities in Villahermosa, Tabasco. They need your prayers for protection because Satan many a times challenges them to quit on their devotion to Jesus.

THE LORD REWARDED US WITH HUNDREDS OF PEOPLE BEING
BAPTIZED AND JOINED TO LOCAL CHRISTIAN CHURCHES. HERE WE
PRESENT SOME OF THEM....
TO GOD BE THE HONOR AND GLORY!!!!

IN NEXT PAGES, WE ADD AS MANY BAPTISMS AS WE CAN SEND, THEY ARE FROM DIFFERENT CITIES IN MEXICO
AND GUATEMALA

QUETZALTENANGO,
GUATEMALA

FINAL RESULTS, WHEN PEOPLE IS BAPTIZED AND THEY JOIN TO LOCAL CHURCHES GROWING-UP IN THEIR KNOWLEDGE OF THE HOLY WORD OF GOD AND THEN THEY ALSO BECOME SOWERS THEMSELVES, REACHING OTHERS JUST AS THEY WERE ALSO REACHED. PRAISE THE LORD BECAUSE IT DOES NOT FINISH. IT WILL END UNTIL THE DAY WHEN JESUS CHRIST COMES TO RISE HIS BRIDE.

GUADALAJARA, JALISCO

PACHUCA, HIDALGO

HORIZONTES, MICHOACÁN

ARROYO DE ESPERANZA,
NAYARIT

The place is not important, what it matters is to testify that Jesus is their Savior and they enjoy being baptized. This is a group of new believers who gather at a home to study the Bible with courses that MexicoEHC provides.

This is the result of a Gospel distribution in Torreon, Coahuila and all them are fruits that God has given us. Praise His Name.

This is Luvianos, State of Mexico. Wonderful tropical place but very dangerous to live and visit there. MexicoEHC has hold several outreaches and evangelistic Campaigns there since 6 years ago.

There are several criminal gangs that have installed in the wonderful mountains , labs where they make methamphetamines and other chemical drugs.

Here we see the 18 new believers whose names are written in the Book of Life.

Right in the middle there is Pastor César V, a lovely and brave young Pastor who does not dare to jump on the high hills where he goes to testify to criminals that hide in the caves found in those places.

César is a faithful Volunteer of MexicoEHC and distributor of all Evangelistic materials we offer. He testifies that his Church has grown 83% since he joined MexicoEHC's Ministry.

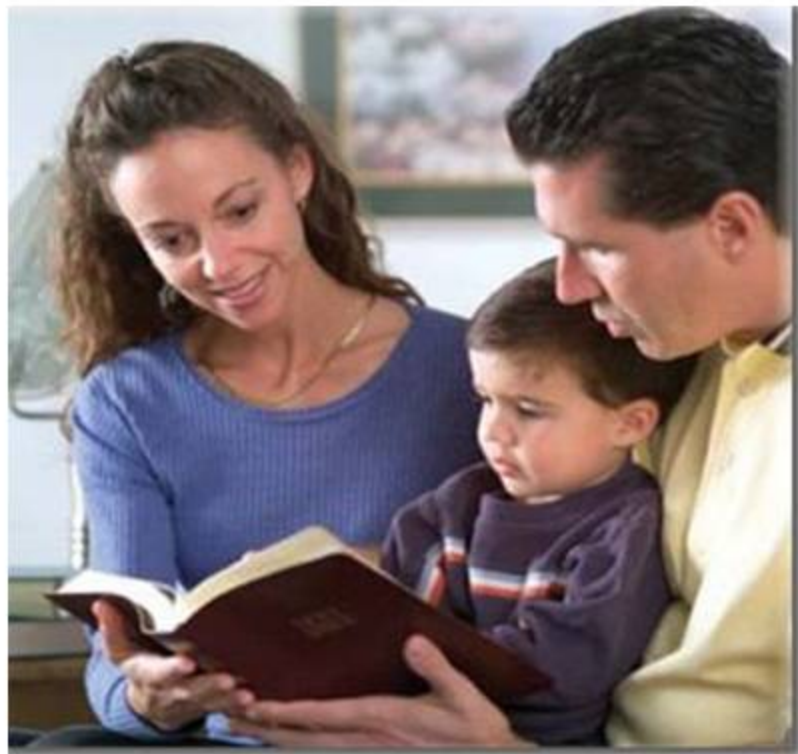

We give the glory and honor to the Owner of the Field and pray for many more Workers just as César and his Congregation.

On spite the danger people live in, the Lord has people to save. When we visit this town, criminal gangs know who we are and they do not try to damage us, they even greet us and we only tell them how much the Lord loves them and wants to save them.

Already four of them have received Jesus but when it happens and they decide to leave the gang, they must leave town and never come back because they are sentenced to die.

In this testimony, we share with you the blessing we could testify as 18 more new believers have been baptized. These are the fruits resulting from the constant evangelization that Independent Pentecostal Church in Luvianos performs day by day and God honors their faith and devotion by adding to the Churches new souls that come to Salvation.

“Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God”. Luke 18:16

We ask your prayers for all Mexican children who are being reached for the salvation and that all the evangelistic material we distribute them, bring many children's souls that become new creatures.

The beginning of 2015, at MexicoEHC we focused our energy to reach children in different cities of the Country since on January 6th., our tradition is that they receive gifts. We delivered 12,500 gifts and among them, we gave “He is risen” which was very good received by all them. Their parents thanked very much our Ministry.

The harvest was that 178 children of ages that go from 6 to 14 years old, received Jesus as their personal Savior. Mexicans need to know Jesus since their earlier years of life.

Sister Georgina R and her group of children who study the Bible once a week at her home in Monclova, Coahuila.

These children come from non-Christian homes and Sister Georgina belongs to 1st. Baptists Church in Monclova where they distribute WMP tracts three days a week.

The Lord has allowed these faithful brethren to reach several districts in this City where seldom Christians accept to go home-to-home to testify of Jesus.

These children send their gratitude to WMP and all Donors who make possible that these children get to know Jesus and have received Him as their personal Savior.

We pray for these beautiful children and ask you to join with us to pray for them that the Lord may be with them all their life and that they give testimony to others about their sincere faith.

PACKAGES OF WMP LITERATURE THAT ARE DISTRIBUTED DURING THE TIME THAT CHRISTIAN CHURCHES GO TO REACH THEIR PEOPLE BECAUSE THEY HAVE UNDERSTOOD THAT IT IS OUR DUTY TO SHARE THE GOSPEL IN OUR OWN COMMUNITIES IN ORDER TO GIVE THEIR PEOPLE THE OPPORTUNITY TO KNOW JESUS AND HIS MESSAGE OF SALVATION.

This is Juanito G, a lovely boy 13 years old who lives in Tijuana, Baja California.

Due to an illness when he was 6 years old, the bones in his leg became very weak and he needs a cane to walk. No matter this disability he devotes several hours a week in order to testify of the love of Jesus among his Neighbors.

Juanito's Mom is in the back of this photo, also testifying to people in the district where their Church is located.

Let's pray for him so that the Lord bless Juanito and his parents because they all as a Christian family devote time to testify of their faith to many people who need to be saved.

Sister Eloisa, Juanito's Mom as she also testify to people in Tijuana, Baja California.

The lady is Natalia P, who is receiving the tract sent by WMP shared with Sister Eloisa that she needs prayers for her husband who was kidnapped four years ago and she does not know anything about him. She wants to believe on God because she feels that she is alone and needs to have faith.

We pray for this lady and for many others (men and women) in Mexico who have relatives lost and they do not know where they are, if they are alive or not.

Christians of Church "Luz del Evangelio" in Ciudad Serdán, Puebla who stop in the street, give a juice to people walking there, others who are working, and also give them a tract received from WMP with a message of faith which they need very much.

Young people of Christian Church "Luz del Evangelio" in Ciudad Serdán, Puebla, very happy join the group of evangelism that share with people sandwiches and juice and also they pray for them for health and peace.

Christian Volunteers at Christian Church “Eben-Ezer” in Tenosique, Tabasco. After being trained with the Pratical Course of Evangelism given by MexicoEHC to brethren who accept to obey the Great Commission.

This day, also children and young people joined adults to go out to their community and spread the Gospel printed on every WMP tract that the Lord has sent us as a blessing to say our people that Only Jesus is Savior.

Here we can see our brethren in Tenosique, Tabasco, crossing through jungles in order to reach homes which are spread in these places where there is not even a road to reach those people who need to know that Jesus loves them.

Other Christian Volunteers in Putla, Oaxaca who devote their time to go home to home, in jungles, mountains and places where people need to receive the Gospel and know that the Lord is interested on them because He wants to save their souls.

Join your prayers with ours for a great Harvest that comes to honor the Lord and that many people get the opportunity to surrender their lives to the Lord Jesus Christ.

This is Pastor Onorato R of Assemblies of God Church "Alfa y Omega in Bacalar, Quintana Roo going home to home in this community and testifying of Jesus and His Gospel to people who do not know that Jesus wants to save their souls.

Pastor Onorato says that every Pastor must go ahead their Congregation in order for them to have the conviction that the Great Commision is a duty that every Christians must accomplish to honor the Lord in their Christian service.

We pray that many other Pastors may receive this message and also join our ministry of evangelization of MexicoEHC.

*We want to thank the Lord for all the blessings we can testify as the Lord allows us to see many people
Coming into Salvation through the knowledge of the Word of God printed in the many titles World
Missionary
Press supplies us every year.*

*We at MexicoEHC fully understand the sacrifices that sending all these millions of tracts to Mexico represent
And that there are hundreds of Faithful Christians who with love send their offerings in order to make all
this
Possible. We daily pray for all of you, though we do not know you, but the love of Jesus joins us in only one
Body...His Bride, the Christian Church in all the World.*

*We can only say THANK YOU WORLD MISSIONARY PRESS for being such a great blessing in the task of the
outreach
Of as many Mexicans as we can until the Lord comes back to pick up His Bride.*

THREATENING THEIR
FAMILIES.

IN THE GULF OF MEXICO, CIUDAD CUAUHTÉMOC, STATE OF VERACRUZ

In Cuauhtemoc, Veracruz, we are having serious problems of insecurity because of the proximity to the city of Tampico, which serves as a hideout for criminals plaguing our population, keeping the fear among citizens who take to the streets. The Word of God has brought peace and security to the people with whom we have shared. We are welcomed heartily and people accept Christ and others accept that they be instructed in the Word of God through tracts.

There is the danger we run every time we go out to the streets of being kidnapped or being in a crossfire by organized crime when we are preaching the gospel.

People receive the Word as the only hope that their lives will change and that they can obtain peace and security in Jesus Christ. Some of those who have received Jesus through our Ministry, testify:

ANGEL H

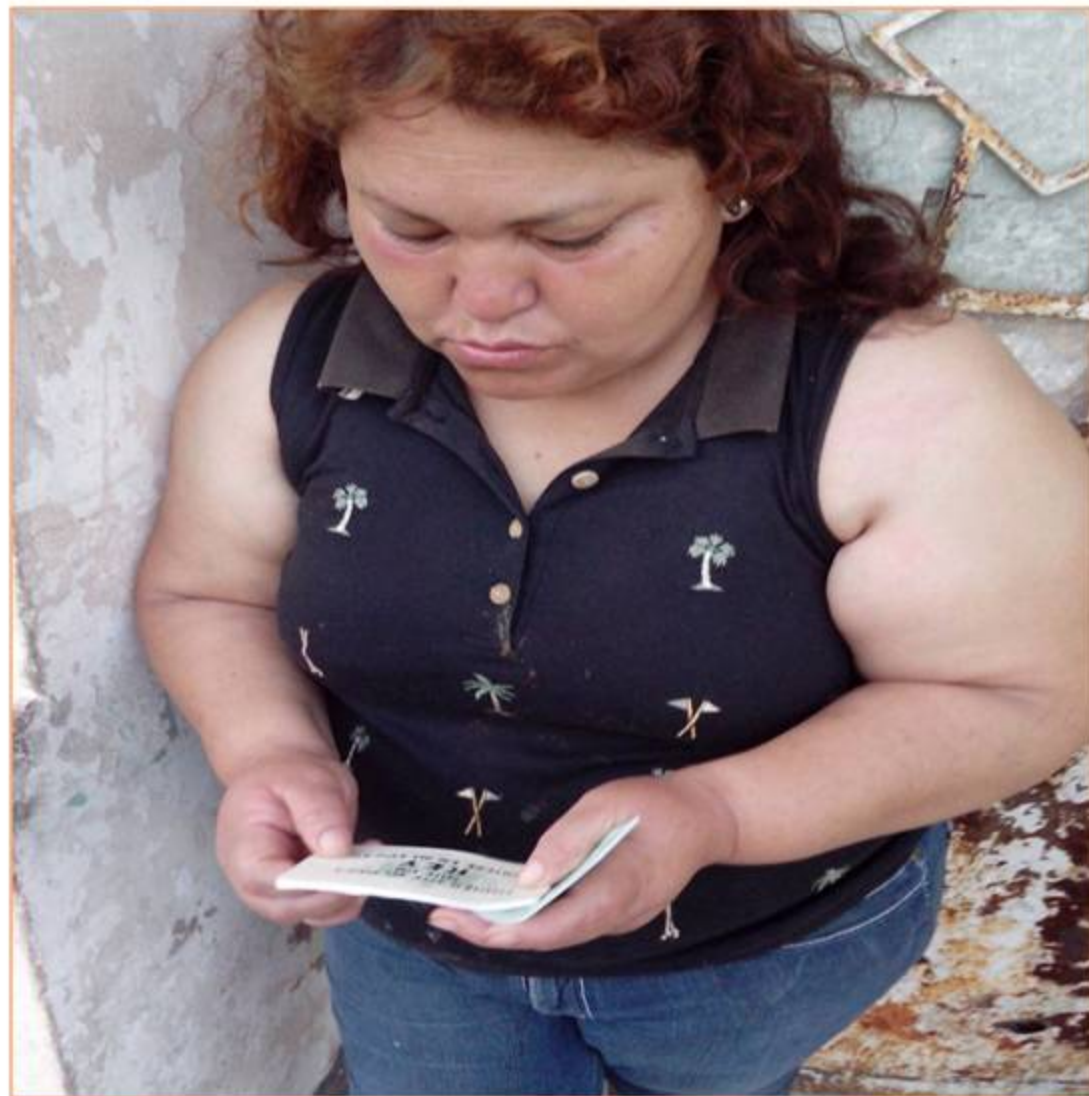

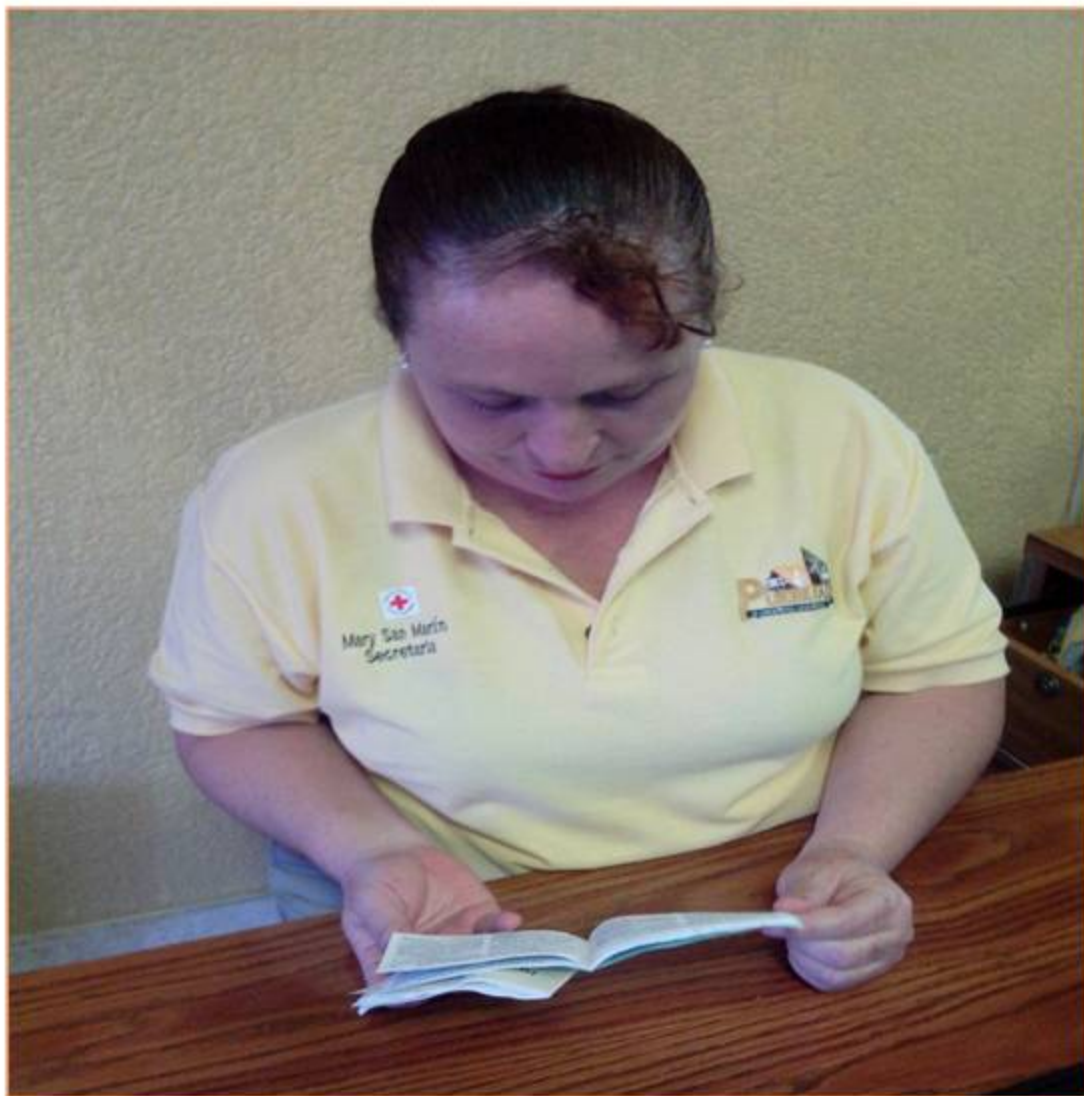

I just accepted Christ as my Lord and Savior. I was handed a leaflet that made me think about my need to know God. I gave my life to Christ and asked Him to change my life. I am now very happy and have much desire to go forward. I'm going through a very difficult situation, but I'm not alone. My God is with me; I only ask for strength to continue.

ROSA E

Brothers, thank you for your support. They have been a great blessing - the materials provided to us. The Word has come to many souls through them and we believe that God will reach many more. All this has been a blessing.

OUR VOLUNTEERS TAKE TIME OUT OF THEIR ACTIVITIES AND GO HOME TO HOME DELIVERING WORD OF LIFE

WE VISIT PEOPLE AT HOMES BUT ALSO IN OFFICES, SCHOOLS AND MARKETS

Everyday God is guiding our Brethren Volunteers to find more doors of homes opened and ready to start Discipleship Groups or people who accept to study the Bible on a systematic way. Our Volunteers are engaged to visit them, at least once a week. Many have joined local Churches and others are being baptized.

IN CITY URUAPAN, STATE OF MICHOACÁN IN THE PACIFIC REGION

Uruapan is the second largest city in Michoacán, and this city is also known as the capital of Aguacate. In this area most of this vegetable [AVOCADO] from Mexico is produced. Like the rest of the state, one of our main problems is violence. But we also constantly face roadblocks by local farmers who have adopted this practice as a means to enforce their law before the authorities. This often affects the rest of the population, who arrive late for work or school by these manifestations that are common in the area.

In recent days we had the concern to go out to evangelize the community of San Andrés, where for the glory of God a group of brothers and us prepared in prayer and headed to visit homes to tell them about Jesus Christ. The main difficulty in this community is that people are very religious. Here they are very devoted to the saints, as St. Andrew, St. Francis of Assisi, and the Virgin of Guadalupe. Here people express their religion - being very devout and faithful and everyone attends Sunday Mass. All collaborate or engage in the activities of the fair that takes place every year in honor of these idols. This makes them very closed to hear the gospel. However, the Lord every day is still being glorified and permitting us to evangelize and meet people with whom we have been able to speak of the love of Christ.

We were able to evangelize 62 homes and we spoke to several people we met on the streets. We also talked with some youth and children in a basketball court. We observed ignorance in the inhabitants of this region, because they do not read the Bible and have very different and false ideas about who Jesus is.

The Leader of Evangelism of Baptist Church "Libertad" testifies:

"The Lord has been wonderful to take us to witness to people of this community. It is an honor to speak of Christ, and see how the Lord continues to save souls. We pray that the seed that was sown bears fruit in these lives for the glory of God. I also want to use this opportunity to sincerely thank God for the ministry of World Missionary Press because without their faithful support, it would not be possible to us to get so wonderful printed messages which we can assure you that they really reach and touch the hearts of our people who are living with uncertainty and with fear of the future".

FULL FAMILIES RECEIVE JESUS AND THEN ACCEPT THAT OUR VOLUNTEERS VISIT THEM AT THEIR HOMES IN ORDER TO CONTINUE STUDYING THE BIBLE COURSES WHICH WMP SENDS TO MEXICO EVERY YEAR.

FULL CONTAINERS OF LITERATURE AND BIBLE STUDIES ARE BEING DISTRIBUTED AT HOMES, SCHOOLS, OFFICES, HOSPITALS, JAILS.

LATER, WHEN GOD OPENS DOORS AT HOMES, CHILDREN, ADULTS AND OLD PEOPLE SEPARATE ONE OR TWO DAYS A WEEK IN ORDER TO STUDY THE WORD OF GOD AS A FAMILY.

MEXICOEHC VOLUNTEERS NEVER FORCE THEM TO LEAVE THEIR TRADITIONAL RELIGION, BUT WE LEAVE THIS DECISION TO THE TIME WHEN THE HOLY SPIRIT GUIDES THESE PEOPLE TO VISIT AND JOIN A CHRISTIAN CHURCH.

WE ARE WITNESSING HOW FULL FAMILIES ATTEND CHRISTIAN LOCAL CHURCHES AND AFTER SEVERAL MONTHS STUDYING THE BIBLE LESSONS, THEMSELVES DECIDE TO BELONG TO A CHRISTIAN CHURCH.

IN CHIHUAHUA, CHIHUAHUA NORTHERN MEXICO AND BORDER WITH EL PASO, TEXAS, U. S. A.

In Neighborhood "The Gardens" located Eastern Chihuahua, is a sector of the working class, and is located just behind an industrial area where there are many "maquiladoras". Hence, people inhabiting this colony are working in these centers.

Some members of the Moreno family, where they have the discipleship group, is new in the Gospel. Since they proposed to initiate a study, they gladly accepted it by opening the doors of their home. But things have not been easy. Since we started Bible studies, the family has had many struggles and attacks from the enemy with the intent to discourage them. Working in the Maquila gets tight and some of the family members have been very sick. But they go ahead, as the Lord manifested by comforting their hearts and giving them faith to continue.

So far, five members of the family have decided to take classes and Sister Carmelita has accepted Christ as her Savior and is praying for the rest of the family to also make the decision to give their life to Christ.

Praise God for this soul, and continue to pray for others, for the Lord's to reach them. Our Volunteers testify:

"My name is Cesar A and I belong to the church Apostolica de Chihuahua, A brother contacted me with Brother Heber , the promoter Mexican Crusade. We talked about the support of literature, and the working model proposed to us was warmly accepted. I had an opportunity of evangelizing several families of the colony without knowing how to do it systematically and consistently. I knew the Lord wanted me to testify of my faith in Jesus Christ to the people of my community and I did it my way and with my resources. But praise God now I have a role model and I have material to share. This makes my job easier as an evangelist.

"Please pray for th family, their names are: Manuel, Juanita, Luci, Karla, Efren, and Misael".
