# 56th Anniversary Celebration Dinner

of World Missionary Press, Inc.

## 6:00 P.M., SATURDAY ~ OCTOBER 21, 2017

**Gloria Silva Lopez** has been the National Director of Mexico Every Home for Christ since 1983. From her parents, who were missionaries with the Presbyterian Church in Mexico City, she learned that the main purpose of a Christian is to serve others as Jesus served others. Following that goal she served with the Back to God Hour in Chicago, Illinois until she returned to Mexico City to work as Office Manager and then National Director for Mexico EHC.

Through the tireless efforts of thousands of faithful EHC volunteers hundreds of new churches have been established throughout Mexico. In November 2008 Mexico EHC initiated a program to reach every last home in the country with at least one tract or Scripture booklet with the message of salvation. In only nine years they have covered 83% of the country and are focused on finishing the task of sharing the truth that Jesus Christ is the only way to have sins forgiven and receive eternal life in every home in Mexico. WMP has been a partner in fulfilling this vision. Shipments to Mexico EHC have increased as they have set up regional centers in many states of Mexico. Gloria and her staff also respond to many requests received by WMP from Mexico for Scripture booklets and Bible Studies for individual and group outreach and ministry. Gloria's stated reason for all of this is "only to worship and honor the Lord Jesus Christ according to Ps.115:1, 'Not to us, Lord, not to us, but to your name be the glory, because of your love and faithfulness.' "

Gloria has been married to Epi Perales, her husband and partner in ministry, for 42 years.

#### **The Hynes Family**

Jim and Jean Hynes have been married for 35 years and have been blessed with 13 children. Their involvement with music goes way back. When they met in the late 70's, Jim was the director of a youth choir of which Jean was a member. It's been their desire to keep music in the family. Nearly everyone plays the piano. Some play additional instruments including the violin, clarinet, flute and bass clarinet.

The family enjoys singing together and likes working on harmony parts for various songs. Over the years they have enjoyed singing in nursing homes in the area.

Jad later founded Voice of the Truth Ministries, whose sole purpose is to preach the gospel to Arabs and Muslims everywhere. Their correspondence courses have reached over 9,000 students in more than 62 countries. Along with weekly Bible studies, annual conferences and seminars are held all over the USA and Canada for Arab pastors and missionaries offering encouragement and training. For 45 years now, Voice of the Truth has printed and distributed thousands of Bibles, New Testaments, Gospels, tracts, booklets, tapes, CDs, DVDs, and books, and has developed a website providing God's Truth in many different languages to reach Arabs and Muslims everywhere for the Kingdom of God.
