## **VICTORY OVER DARKNESS**

The city in Northeast Brazil was full of witchcraft, idolatry, and demon cults. But a Brazilian pastor went there anyway, taking boxes of Scripture booklets from World Missionary Press to distribute to every home. One person who received a booklet was a leader of a witchcraft center. As he read the words of the One True God, he gave his heart to Jesus and was wonderfully rescued from Satan's hold. He stopped dealing in witchcraft. Others who worshipped at his witchcraft center also believed.

As a result, the former witchcraft center is now a church where those who once worshiped idols now preach the word of God and praise His name. The word of life is really powerful. This is one more victory of Jesus over the darkness.

## **HELP IN TIME OF TROUBLE**

Where do you turn in a time of trouble or personal struggle?

A man from Canada was going through such a time when someone handed his mother the World Missionary Press Scripture booklet, *The Way to God*. She gave it to her son who read it. He acknowledged that it was God's perfect timing that the booklet made it his way, and he accepted Jesus as his Savior. He now shares WMP booklets with others so that he too can plant a seed to bring them to Christ.

We can't know the hearts of those around us, but God does. He sees our trouble and offers Himself through His word to give comfort and strength. By giving a Scripture booklet you can be God's hand of love and salvation.

### **AN OPEN DOOR IN A CLOSED HINDU VILLAGE**

Pastor Raju has a burden to preach the gospel in 40 unreached villages in India. After a day of prayer and fasting, he and a team of eight young men go out to distribute World Missionary Press Scripture booklets. It is so difficult to gain access to these villages, but as a result of their hard work and much support in prayer, four villages have opened up. In each village at least one family has accepted Christ by reading WMP booklets. Because of these families Pastor Raju and his team can now go into the villages and preach the gospel openly and distribute more booklets.

Through a small Scripture booklet filled with God's word, individuals, families, and entire communities in India can come to the Savior.

### **GOD'S WORD IN A COMMUNIST PRISON CELL**

Nathan and his team found themselves in a communist prison for sharing the gospel. In that place which denied the very existence of the God they served, they shared His word. A lady there asked for a Bible. Once they were deported from the country, God opened the door for them to return and bring her a New Testament and Scripture booklets from World Missionary Press. The seed had been sown and a heart was opened to God's word.

Now Nathan and his team are preparing to take WMP booklets into Iraq and to an isolated people group in Korea. They have seen proof that there is no place that God's Spirit cannot meet the hungry, open heart no matter what man may try to do.

### **WHAT DO YOU HAVE TO SHARE?**

Celina often aided the homeless with food and an offer to pray for their requests, but she still felt empty not having Scripture to leave with them. Then, one day, a lady came through her checkout line and mentioned that God blesses her abundantly and asked if Celina wanted a Scripture booklet. There it was! Her answer! She eagerly accepted.

She later realized she had not asked the lady where to get these booklets. The next day she was moved to look over the booklet and found the World Missionary Press web address to place an order. With her order she wrote that she felt it was necessary to pass on God's word before it is too late.

### **IT'S HARVEST TIME**

Dries and Valerie have been serving the Lord in Madagascar for more than 25 years. They have used World Missionary Press Scripture booklets to reach out all over this island nation in East Africa. From villages to university campuses the gospel has been shared.

Now the harvest is coming in. God had affirmed to Dries years earlier that He would bring into fulfillment what he had promised when he called them to Madagascar. During a particular campaign their distributors took World Missionary Press Scriptures booklets to over 161,000 homes in 6 cities and 3 provinces. From that distribution over 12,000 people responded positively to the way of salvation message.

Harvest is a wonderful time. The toil of the past now ripens into fruit. Praise God!
