Dear Friends and Prayer Partners,

Psalm 19 states that **the heavens declare the glory of God; and the firmament shows His handiwork. ... There is no speech nor language where their voice is not heard**. The "preaching" of the night skies reveals to us God's **invisible attributes** and His **eternal power** (Romans 1:20). The Psalm goes on to speak of the greatness of God's **law, testimony, statutes, and commands**. The written revelation has the effect of **converting the soul, giving the simple wisdom, rejoicing the heart, and enlightening the eyes**. (Thank you Lord, for the revelations of Word and sky.)

Whereas creation's "words" have **gone out through all the earth**, the written Word does not go out on its own. The printed Word needs men and women taking the Word of God "out" to the remotest places of the world. Often these missionaries face harsh conditions, deprivation, and violence. **WMP** booklets facilitate the evangelistic ministries in over 153 countries. As we partner with them, we also bear the burden to lift them to the throne of grace in prayer. Gratefully our prayer partners join us in that endeavor.

God has also set the sun in the heavens **and there is nothing hid from its heat**. Like that penetrating heat, the Word of God must go "in" to the hearts of people. When it does, people will understand their **errors**, their **secret faults**, and their **presumptuous sins**. They will understand that **the fear of the LORD is clean, enduring forever; the judgments of the LORD are true and righteous altogether. ... by them Your servant is warned, and in keeping them there is great reward**. Some of those rewards being freedom from dominating sin, blamelessness before God, and having the Lord as our strength and redeemer. Pray that the Word of the Lord will go "out" and "in." (All references from Psalm 19. Take time to read it.) Thanks be to God for His grace and mercy.
