THE GREAT PHYSICIAN

God has the power to heal, both spiritually and physically. Sunil was bedridden with an incurable disease. He couldn't walk or take care of himself. Doctors didn't know how to help him, and his family worried that he might not live through it. During this time, someone gave them a Scripture booklet from World Missionary Press. Sunil studied the booklet and learned about Jesus, the great Physician who heals those who repent and believe in His name. Sunil gave his life to Christ and experienced the Lord's healing in his body. He grew stronger and before long, he could walk again. His transformation filled his family with joyful astonishment and led to their salvation, as well. Now they host a village prayer group in their home.

SETTING CAPTIVES FREE

God is using His Word to set captives free from sin. One Bulgarian family uses Scripture booklets from World Missionary Press to share Jesus with criminals serving their sentences. Conditions are horrible in Bulgarian prisons. Cells are overcrowded, and treatment can be inhumane and cruel. Inmates live without light or hope. But one inmate named Kanan read the *How to Know God* booklet and came to Christ on Christmas day. Now the Lord is growing his faith even throughout his sentence, filling him with peace and joy. Another inmate named Simeon also came to Christ because of a booklet, and he was baptized inside his cell. Over 70 other inmates have professed faith in Christ because of this family's faithful ministry.

FAITH FULFILLED

The Bible says that faith the size of a mustard seed can move mountains. Susheela was struggling to make ends meet in her family. Her daughter needed surgery but there was no money to cover it. She didn't know what to do until she read a Scripture booklet from World Missionary Press. Its truth filled her heart with faith that God could heal her daughter. Soon she discovered a Christian medical camp that provided free surgery. Throughout this journey, the Christlike love and truth she was shown drew her heart to God. Her family started attending church and soon confessed faith in Christ as well. Now a small body of believers gathers at her house for prayer and worship. Her simple faith led to healing and a hope-filled life.

PLANTING TRUTH, GROWING CHURCHES

Sharing the gospel is the first step in planting new churches. In Liberia, one team travels to remote, unreached villages with Scripture booklets from World Missionary Press. The travel is difficult and the villages can be hostile, but the team's devotion to Christ and love for people compels them to go anyway. They begin their ministry by asking the town leader for permission to show the Jesus film. After the film, the team shares the gospel and distributes Scripture booklets. The next day they hold baptisms for new believers, and a new church is born, often meeting under trees or in abandoned buildings. As the team discipled the congregation, they train up new pastors who eventually take over leadership. Finally, the team assists in constructing a church building.

LOOKING FOR HELP

Psalm 46:1 tells us that God is our refuge and strength, a very present help in trouble. In Zimbabwe, an economic crisis has caused deep trouble. Food prices are skyrocketing. Shelves are full, but wallets are empty. Parents don't know how to feed their families or cover medical bills. And with the influence of animism in Africa, many people attribute hard times to evil spirits. In desperation, they seek cult leaders to perform exorcism and provide relief. But the *Help from Above* Scripture booklet from World Missionary Press is bringing true relief to troubled families. It contrasts our weakness with God's strength. Parents realize that no power on earth can meet their needs. But there is help from above in the Person of Jesus Christ.

You can share Jesus' help and comfort with someone in need. To order free Scripture booklets call 1-800-422-W.O.R.D. You can also order online at wmpress.org/order.

SCRIPTURE BOOKLETS ON THE MOVE

God's Word reaches people in unique ways. A ministry director traveled to a remote village in Malawi to share Scripture booklets from World Missionary Press. To the best of his knowledge, the people there had never heard of Jesus. However, to his surprise, the village not only knew about Jesus, but they were familiar with World Missionary Press materials as well. He discovered that Scripture booklets intended for another region of Malawi had been brought into Mozambique, and then back into Malawi to this village. They had only 10 booklets, well-worn and marked with notes. They kept them inside their makeshift church building to preserve them and allow everyone to study them. They were overjoyed to receive the new booklets so that each family could keep one in their home.

JESUS THE HEALER

God always has a plan for His children, even when all hope seems lost. Mathias from the Ivory Coast suffered from a chronic disease. He'd visited multiple doctors looking for a cure, but no one could help him. Finally, discouraged and out of money, his family took him home to die. But by God's grace, that day a pastor who lived nearby was passing out Scripture booklets from World Missionary Press. He gave one to Mathias's family and prayed with them. Mathias read the booklet, understood his need for salvation, and gave his life to Christ. The Lord not only cleansed his heart at that moment, but also cured his body. Mathias recovered fully from his disease, leaving his parents and the doctors in awe.
