NOVEMBER, 2023

Dear Friends and Prayer Partners,

Recently, a chapel leader asked, "What is the greatest thing happening on the earth right now?" His answer: "God is still building His church. Everything man does crumbles." The Universal Church continues to grow stronger and larger even as persecution and hostile societies oppose it.

We believe WMP will also continue to grow as long as we are faithful to His Word. This letter is dedicated to saying thank you to the Lord and to the saints of His church for our success.

His saints pray for us – we say a big THANK YOU to all of you.

His saints support us financially – we lift up praise and gratitude for your generosity.

His saints work in every office and production department of our facility. His saints volunteer. We praise the Lord for their dedication and skills.

His saints take each small booklet out of the box and put them into people's hands – people desperate for answers to life, freedom from sin, and hope for eternity. We thank the Lord for our distributors.

THANK YOU FATHER FOR JESUS' CHURCH.

Make a joyful shout to the LORD, all you lands! Serve the LORD with gladness; Come before His presence with singing. Know that the LORD, He is God; It is He who has made us, and not we ourselves; We are His people and the sheep of His pasture. Enter into His gates with thanksgiving, And into His courts with praise. Be thankful to Him, and bless His name. For the LORD is good; His mercy is everlasting, And His truth endures to all generations. (Psalms 100:1-5)
