SEPTEMBER, 2023

Dear Friends and Prayer Partners,

A young Christian business owner asked, "I grew up in the church, but lived 6 years in sin before God got a hold of me. One of my employees grew up with no spiritual input. If I barely understand spiritual things, how is this person ever going to understand? How do I witness to her?"

**WMP** Scripture booklets have proven that the Word of God is the best witnessing tool. The Holy Spirit must convict and draw people, but people who have never heard of God; people bound by addiction and lust; people who practice tribal, national, or world religious rites; and atheists have come to salvation because of Scripture. Scripture makes this claim for itself:

**The sword of the Spirit is the word of God. The word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart** (Ephesians 6:17; Hebrews 4:12).

**These are written that you may believe that Jesus is the Christ, the Son of God and that believing you may have life in His name. (John 20:31) And we know that the Son of God has come and has given us an understanding, that we may know Him who is true (1 John 5:20a).**

Yours in the Power of the Voice of God,
