My Friends and Prayer Partners,

Our town volunteer fire department is across the street from WMP. At various times one volunteer puts on all his firefighters' gear and runs the length of our street several times.

A coworker commented, "If your house was on fire, would you want someone like this man showing up or a volunteer who only attended meetings?" Later my mind added, "Or sat disinterested through training sessions or had no hands on experience."

This firefighter is prepared to battle a blaze. In Ephesians 6:10-18 Paul speaks of being ready for a spiritual battle. Christians **wrestle against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places**. Paul uses action verbs to admonish us to get dressed for battle – put on, take up, gird yourself, shod your feet.

Sometimes the forces of evil feel like a fire storm raging about us. The firefighter's gear protects him, but it is his tools that extinguish the blaze. Paul says, "above all" take the shield of faith, take the helmet of salvation, and take the sword of the Spirit. Having the armor without the weapons leaves us defenseless.

Firefighters are in constant communication with their captain and others in the blaze. Some watch for hot-spots and warn of dangers. Paul's final admonition is to "pray always" and be "watchful to the end." When it comes to evil, God is still over all. Being in contact with Him helps us escape dangers, and experience victory.
