My Friends and Prayer Partners,

The plants I want growing in my garden must be purchased, and planted strategically. I carefully nurture them, doing what I can to optimize my harvest, including praying over them.

Those plants I do not want growing just show up, spread prolifically, producing useless flowers, or annoying pricklers. The roots of the weeds cozied up to the stalks mingle with the vegetable plant roots. To remove them damages the good plant. They have to be cut at the dirt level and prevented from growing again.

As weeds seem to live in the dirt, the law of sin and death lives in our bodies. Left to bloom our sin will take over our life. The Holiness of God, the Righteousness of Jesus Christ, and the Fruit of the Holy Spirit must be provided by heaven's riches, planted in the soil of our lives, and carefully nurtured by the Lord through prayer and Bible knowledge.

In the past century, scholars have raised doubts about the veracity of Scripture. That "weed" has taken root in some churches and can affect our obedience to God's commands. Peter warns that the Scripture speaks of **some things hard to understand, which untaught and unstable people twist to their own destruction, as they do also the rest of the Scriptures.**

Peter then exhorts, **You therefore, beloved, since you know this beforehand, beware lest you also fall from your own steadfastness, being led away with the error of the wicked; but grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever. Amen.** (2 Pet. 3:16b-18a)
