

HOW MUCH IS A SOUL WORTH?

"...To whom He was not announced, they shall see; and those who have not heard shall understand." (Romans 15:21)

Brazil is the most populous, multi-cultural, and ethnically diverse country in South America. It is the world's fifth largest country by area and seventh in population. Five major ministry partners are faithfully using WMP Scripture booklets across the country, spreading the gospel from Amazonia to São Paulo and Rio de Janeiro. Over 12 million WMP Scripture booklets are arriving in Brazil this summer to assist in evangelism.

**"WHAT PRICE DID OUR
MASTER JESUS CHRIST PAY
FOR THE SOULS IN THE
ENTIRE NORTHERN REGION
OF BRAZIL?"**

In the northern region, many places are only accessible by boat or plane. "I come to request 500 units of the booklet *The Way to God*. We are from Brazil Amazonas Manaus and there are many riverside communities for us to evangelize. We know this precious evangelization booklet created by World Missionary Press, Inc. How can we acquire it?" The growing requests from Brazil for Scripture booklets means WMP now produces more booklets in

Portuguese than in any language other than English, Spanish, or French. When we receive such a request from Brazil, we forward it to our closest ministry partner to provide.

Peniel D. will fill this request from the 1,024,000 booklets he received through the northern port of Recife. Evangelism within Brazil faces many challenges due to large geographical barriers and societal differences, but the Word of God is the same for all, and all must know of His love and salvation. "When I see barriers like this I ask myself: How much is a soul worth? What price did our Master Jesus Christ pay for the souls in the entire northern region of Brazil?"

—Peniel D.

distributed WMP booklets *Help from Above* and *The Way to God* in south Bahia. As a result, many converted to the Lord Jesus and eight of them asked to be baptized. "Praise God for these souls saved by His powerful Word!" —Francisco R.

Francisco and another ministry will use 6,120,000 Scripture booklets in São Paulo and Guarulhos, as well as shipping booklets to distributors throughout the country. "Please, consider my request this time once more. We have been preaching the gospel of Christ everywhere and now especially in schools here in my own city and in many other cities. We are traveling a lot to distribute these precious booklets. Please help us in this work my beloved brothers in Jesus' Name! We want the students to know Jesus." —Leandro S.

Our national coordinator in Rio de Janeiro, Erno E., will have 2,762,500 booklets to minister in and around his city. São Paulo and Rio de Janeiro are in close proximity in southern Brazil and share the distinction that up to one-third of their population lives in crime-filled slums. Our distributors inform us, however, that

the worldview of people in the two cities often differ. Evangelists may tailor their methods in each ministry location, but not the Word of God, which remains absolute, and is able to change the hardest heart.

The Word Works

Mrs. Otto recently settled in N'douci (Côte d'Ivoire) with her children. One evening, a shooting took place behind her home and a robber was killed. Frightened, Mrs. Otto decided to return to the city of Divo. The day after the shooting, however, she received a visit from an evangelization team trained by EHC Côte d'Ivoire. This team introduced her to the love of God and the true protection she could receive from God. A booklet entitled *Help From Above* was given to her. After carefully reading the booklet, Mrs. Otto gave her life to Jesus. She took courage and entrusted all her fate to God for His perfect protection. Attending the meetings of the local assembly, she and her older daughter publicly entered the waters of baptism, confessing Jesus as their personal Savior and Lord. They serve God fully in the local church where they grow spiritually day-by-day in the joy of the Lord Jesus.

MEET THE TEAM

Novella H., Director of Accounting

Hello, my name is Novella and I am the Director of Accounting at World Missionary Press since April 9, 2024. I had never heard of World Missionary Press until I came to work here, however it was evident to me the Lord's hand was at work in leading me here.

I was born and raised in Illinois and attended Bible College in Oklahoma, where I met my late husband Mark. Happily married for 27 years before the Lord called him home, we raised two beautiful children and have 1 granddaughter. In the fall of 2022, I remarried to an amazing man, Eric, from the Northeast Indiana area and relocated from California, where I was serving in the ministry. Between the two of us, we have a total of 4 adult children and 7 grandchildren.

I have a unique background of 25+ years of church

administration/ministry as well as accounting, bookkeeping, payroll administration, human resource management, etc. for both profit & nonprofit organizations.

I have such a love and passion for serving the Lord, serving others, and building the kingdom of God. It is with that same passion that I am excited to join the World Missionary Press team as it allows me to utilize my unique background, experience, and abilities to not only continue to spread the gospel, but to communicate the very heartbeat of God...which is souls!

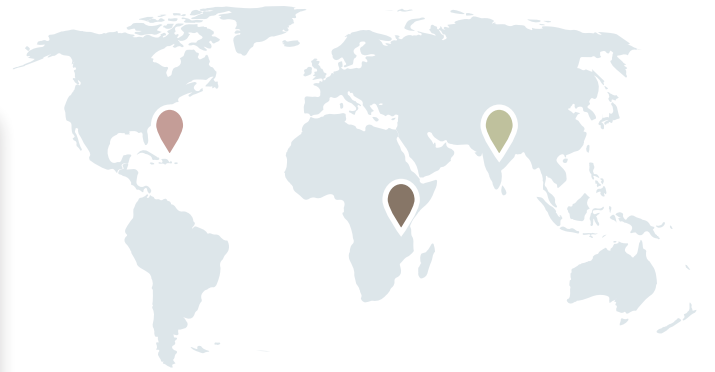

Spending time with family and my home are two of my favorite places to be when I am not working. I also enjoy bargain shopping, interior design, and decorating.

GRATEFUL QUOTES

HAITI

"We have a hallelujah report: the 40-foot container from WMP containing 1,355,190 Scripture booklets, 141,300 French and Kreyol Bible studies, and 480 Kreyol New Testaments has been released. We have all 1,496,970 pieces of literature in our possession. We have spent 6 months and a lot of money trying to get it through customs. The red tape seemed to change every day. Was it worth the cost? What price would you put on reaching one individual for Christ? I received a report from one of our programs in the south that we have had 10 professions of faith recently and it is all because of the booklets. Together we are producing fruit for the Kingdom!" —Jim O.

TANZANIA

"Dear stewards of the Kingdom of God, it is my hope that this email finds you right. I remember when I was young at 10 years old. In my Sunday school I was given one of your booklets and I read it. It was about 'The love of God to us.' From that I got to love Jesus Christ to the extent it paved a way for Him to reveal Himself to me next. Therefore, my journey in Christ was triggered by that gracious encounter with that awesome knowledge. Now I serve God. This is my thanks to you. With respect and need, I send my request for Kiswahili language copies of Scripture booklets for gospel witnessing and preaching in our local communities in Chanika, Zingiziwa and Dar es Salaam. May God bless you all."
—Bishop Dr. David S.

SOUTH ASIA

"Respected brothers and sisters, as I requested, I have received 12,000 copies of the booklet Help from Above. I am a small evangelist and when we get a chance we go to the agency areas near us twice in a month with our other team to evangelize the tribal groups. These small pocket books enable the people of that area to know about God easily. I sincerely thank you for facilitating our evangelization by helping us so well." —Nakka R.
