

Boys and girls in countries around the world need to learn about Jesus and His love. By reading Scripture booklets in their language, they can know how to have their sins forgiven and receive the gift of eternal life!

Please send offerings in a check to the address below. If you can, please also send a photo and/or description of the project you used to raise funds.

Missions Ideas for Children

For your children's ministries, Sunday School, children's church, or VBS – You will find here a variety of suggestions for your consideration as a focus for your children's ministry missions offering.

These project ideas relate to reaching boys and girls in other countries with the powerful Word of God.

What better way to encourage children to begin focusing on worldwide outreach and the influence they personally can have in fulfilling the Great Commission?**

**God Loves You!
Coloring Books**

Your children can provide *God Loves You!* salvation coloring books, filled with pictures to color and excellent teaching from God's Word!

WMP can provide a variety of languages for the *God Loves You!* coloring book so that you can use them to make an attractive poster or project display.

If you wish, you could announce that for every \$10 raised, a picture of one coloring book will be added to a display at the front of your meeting room. (You can photocopy the front cover of a *God Loves You!* coloring book, making enough copies to represent the offering raised.)

Your Change Brings Change

About five cents will print and send one Scripture booklet anywhere in the world! \$1 will print and send 21 Scripture booklets on average. Banks can be provided by WMP for this purpose. These banks can be placed in many locations—people always have loose change! When finished, collect the money from the bank(s), write a check to WMP for the amount, and re-use it!

Fill a Suitcase

Leaders can present a big, empty suitcase at the beginning of VBS, labeled "Sending the Word to the World." For each dollar a child brings in offerings, he/she can place a (rubber-banded) pack of 25 Scripture booklets into the suitcase. (It actually costs about \$1 to produce 21 booklets!)

The goal is to fill the suitcase as full as possible with Scripture booklets!

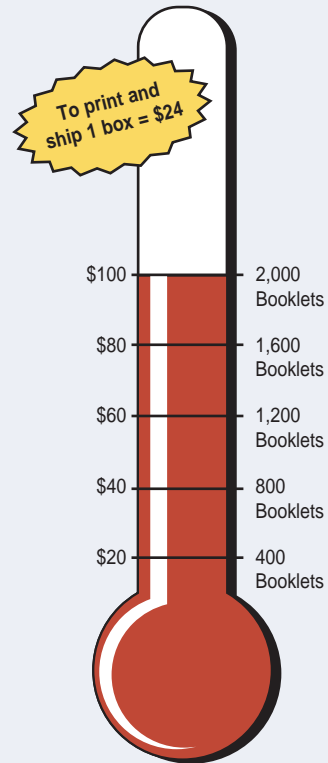

You can request a supply of *The Way to God* Scripture booklets for this purpose. They come 500 per 10-lb. box.

Thermometer Display

\$ Raised For Scripture Booklets

Make a large poster of a thermometer showing funds raised for *The Way to God* Scripture booklets. Color with a red marker as funds increase. Adjust the numbers on the poster according to your expectations.

Buy a Roll of Paper

One 35"-wide roll of paper for our big printing press, costing about \$1,360, can produce the inside pages of more than 85,000 48-page Scripture booklets!

An investment of \$680 provides for the inside pages of about 42,500 Scripture booklets like *The Way to God*!

**Your offering of \$680 or \$1,360
could reach 42,500 to 85,000
children with the gospel!**

Faces of the World

Prepare a large colored drawing of the world (about 10 ft. wide) to post at the front of your meeting room. Have the students color the faces of children from other parts of the world. As every \$25 comes in for the missions offering, one of the children can glue or tape one of the colored faces onto the world.

This serves as a visual reminder that your students are touching other children around the world with God's Word. At some point, each child can be given a copy of a *God Loves You!* coloring book or *The Way to God* Scripture booklet as a reminder of the ministry they are supporting! (Request enough free copies for this purpose.)
