Use Scripture booklets for prison ministry!

Prisoners often have lots of time on their hands and will often read whatever is available. Why not give them God's Word? You can also share the booklets with prison chaplains, who need spiritual material to share with the inmates. Many prisoners have come to faith in Christ by reading WMP Scripture booklets.

“Thank you so much for all the work you are doing to reach into our correctional institutions and change lives one at a time through the WMP *Scripture-text Datebook*. I start my day each morning reading my datebook, *My Daily Bread*, and then my Bible. And for the sheep that had lost his way and all hope, I can honestly say that God has worked through you to renew my faith and spiritual desires. Thank you so very much and I mean this with all of my heart.”
