

Happy New Year Everyone!

Have you ever stopped to think that God never observes a new year? He lives eternally where nothing needs rethinking, and nothing becomes wearisome. But we humans get tired, life wearies us, and the weight of the world pulls us down. Thankfully, God's first grace was time. God **called the light Day, and the darkness He called Night. So the evening and the morning were the first day** (Genesis 1:5). Then He broke our life into segments. **Then God said, "Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and years"** (Genesis 1:14). A new year gives us fresh energy to reset and renew. WMP is starting this year with a new President. Our *Prayer and Praise Letter* has a new look. Like many others, WMP is setting goals for the coming year. We are excited to see what God has in store for us in 2026. But we also rejoice that **"God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."** Thankfully it is only after we have been freed from sin and death that God invites us to live as He lives. Until then He giveth us **richly all things to enjoy** — seasons, years, and time (1 Timothy 6:17b).
