## Discovering Hope in Christ

*Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit. —Romans 15:13*

The human heart longs for hope that is real and lasting. The weight of grief, anxiety, guilt, or loneliness carries a sense that life has no meaning. Many attempt to find that hope in temporary things such as wealth, pleasure, or personal success. But these sources cannot provide lasting hope.

Where then is hope to be found? **“Thou hast made us for Thyself, O Lord, and our heart is restless until it finds its rest in Thee”** (Augustine, *Confessions*). God’s Word directs us to the only foundation for eternal hope which brings rest. “...Who walks in darkness and has no light? Let him trust in the name of the LORD and rely upon his God” (Isaiah 50:10b). Hope for this life and the life to come is found only by relying on the Lord.

WMP highlights this truth through a new Scripture booklet, *The Power of Hope*, pointing to an unchanging source of hope, grounded in the character of God. He understands human weakness and the struggles of life, offering comfort, guidance, and strength. **He reminds people that their lives are not defined by circumstances**, but by His everlasting love and purposes. Through Jesus' life, death, and resurrection, God provides forgiveness and the promise of eternal life. Because of Him,

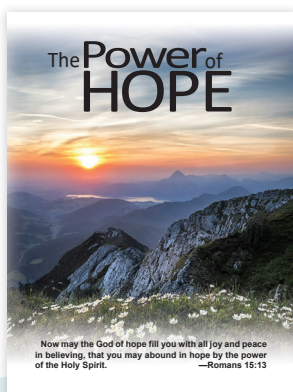

believers can experience peace with God and a future secure in Him.

*The Power of Hope* directs the reader to look beyond the temporary struggles of this life to

the God of hope and trust in His promises. Paul writes, "While we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal" (2 Corinthians 4:18).

The hope found in Jesus Christ is not wishing that life will improve. It is a confident trust in the God who is faithful in every situation. Placing our hope in Him, we discover a hope that strengthens us today and assures us of a future with Him.

We encourage you to prayerfully consider how you can share *The Power of Hope* booklet. Many are searching for hope without knowing where to find it. **Together, we can place God's Word into more hands and trust the Lord to transform lives.**

## Hope in the Midst of Uncertainty

In Guanajuato, Mexico, uncertainty shadows many communities as security challenges persist. Yet even in the midst of fear and difficulty, God's Word, through the WMP Scripture booklet *God Loves You!*, shines as a beacon of hope. Our Mexico coordinator supplied Scripture booklets to areas affected by crime, while Ekklesia Christian Center Church faithfully carried out the distribution. The team also visited several rehabilitation centers, personally sharing Scripture booklets with individuals longing for peace, comfort, and restoration.

Although the atmosphere was heavy, many were willing to listen. As the booklets were received and read, **hearts began to soften and a quiet sense of hope emerged.**

One of the main resources used was the booklet *God Loves You!* Through its simple yet powerful message, readers are reminded that they are not forgotten and that true hope is found in Christ. Even in uncertain times, God's Word continues to plant seeds of eternal hope in hearts that long for peace.

## Prayer Points

*Pray that The Power of Hope booklet would reach many who are weary and burdened, leading them to find rest in Jesus.*

*Pray for strength and discernment for those distributing God's Word.*

*Pray that many would receive God's Word and be filled with the hope of eternal life.*

## Hope Through God's Word

Clifford M. from Malawi shares how Scripture booklets are bringing hope and encouragement to communities across his country.

“These booklets are unique and powerful, touching hearts and transforming lives as people encounter the message of God's Word. Churches and ministries are growing as these Scripture booklets reach more communities.”

During outreach in villages and public places, individuals eagerly receive the booklets and often begin reading them immediately. For many, these **Scriptures arrive at just the right moment**, reminding them that, having been justified by His grace, they may become heirs according to the hope of eternal life (Titus 3:7). Through God's mercy, they are invited to receive this promise and be blessed with hope.
