

Greetings to all my Friends,

Victor Glover, the Christian U.S. Navy captain piloting NASA's Artemis II mission, reflected while on the other side of the moon, "As we are so far from Earth and looking back at the beauty of creation, I think, one of the really important personal perspectives that I have up here is that I can see Earth as one thing. ... We have this oasis, this beautiful place that we get to exist together." God says, "I have made the earth, and created man on it. ... [I] formed it to be inhabited: 'I am the LORD, and there is no other.'" (Isaiah 45:12a, 18b). Compared to the moon the earth is a beautiful "blue marble" hung in space, meant to be a "garden of Eden." Instead people are continuously at odds with each other because of sin. We cannot exist together in peace and treat each other with love and kindness unless Jesus changes us.

One day, because of Jesus' ministry, heaven will host a "great multitude which no one could number, of all nations, tribes, peoples, and tongues, ... saying, 'Salvation belongs to our God who sits on the throne, and to the Lamb!' " With the promise of a new heaven and a new earth, "God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away" (Revelation 7:9b, 10b; 21:1, 4). Hallelujah!
