Let us come before His presence with thanksgiving. –Psalm 95:2a

Our great and loving God created mankind for fellowship. When that fellowship was broken, a divine plan was already in place to bring restoration. The way of truth to restored fellowship was given to His children with the charge to **take it to everyone, everywhere**. Surely our response to such grace and mercy should be praise and thanksgiving to Him!

God established World Missionary Press to provide a means for that message to go around the world. Here we print the Word in partnership with donors, prayer partners, and volunteers; and these booklets are utilized by believers obedient to His call. One plants, another waters, and God gives the increase. What a marvelous plan! **We offer the sacrifice of praise to His name.**

God has blessed WMP over the last 65 years with ministry partners who have found the Scripture booklets effective and essential to their work. As this list of partners has grown, God has supplied the funds, staff, and supporters to meet the increasing requests. Each day we receive messages of thankfulness.

Let us come before His presence with thanksgiving!

“Thank you very much for your steadfast prayers and support for the upcoming Africa mission to six vast countries: Namibia, Botswana, Zambia, Malawi, Mozambique, and Zimbabwe. We will be transporting boxes of WMP Gospel booklets in various languages to donate to Bible colleges and ministries. Thank you for so generously providing us with the essential spiritual ammunition for fulfilling the Great Commission in Africa.”

—Peter H., South Africa

Such reports encourage us to look forward in earnest anticipation and confidence. Millions still wait to receive God’s words of hope and salvation. The messengers are **ready to carry the message**. The Spirit is preparing hearts. Printers, donors, supporters, and ministry partners are all prepared to follow where He leads, reaching those who have never heard of the God who created them and loves them and who has provided a plan to bring them to

Himself.

Strengthened by God’s leading in the past, we now trust Him for new partnerships, churches, and individuals to share **the vision of reaching ALL**; and new supporters to

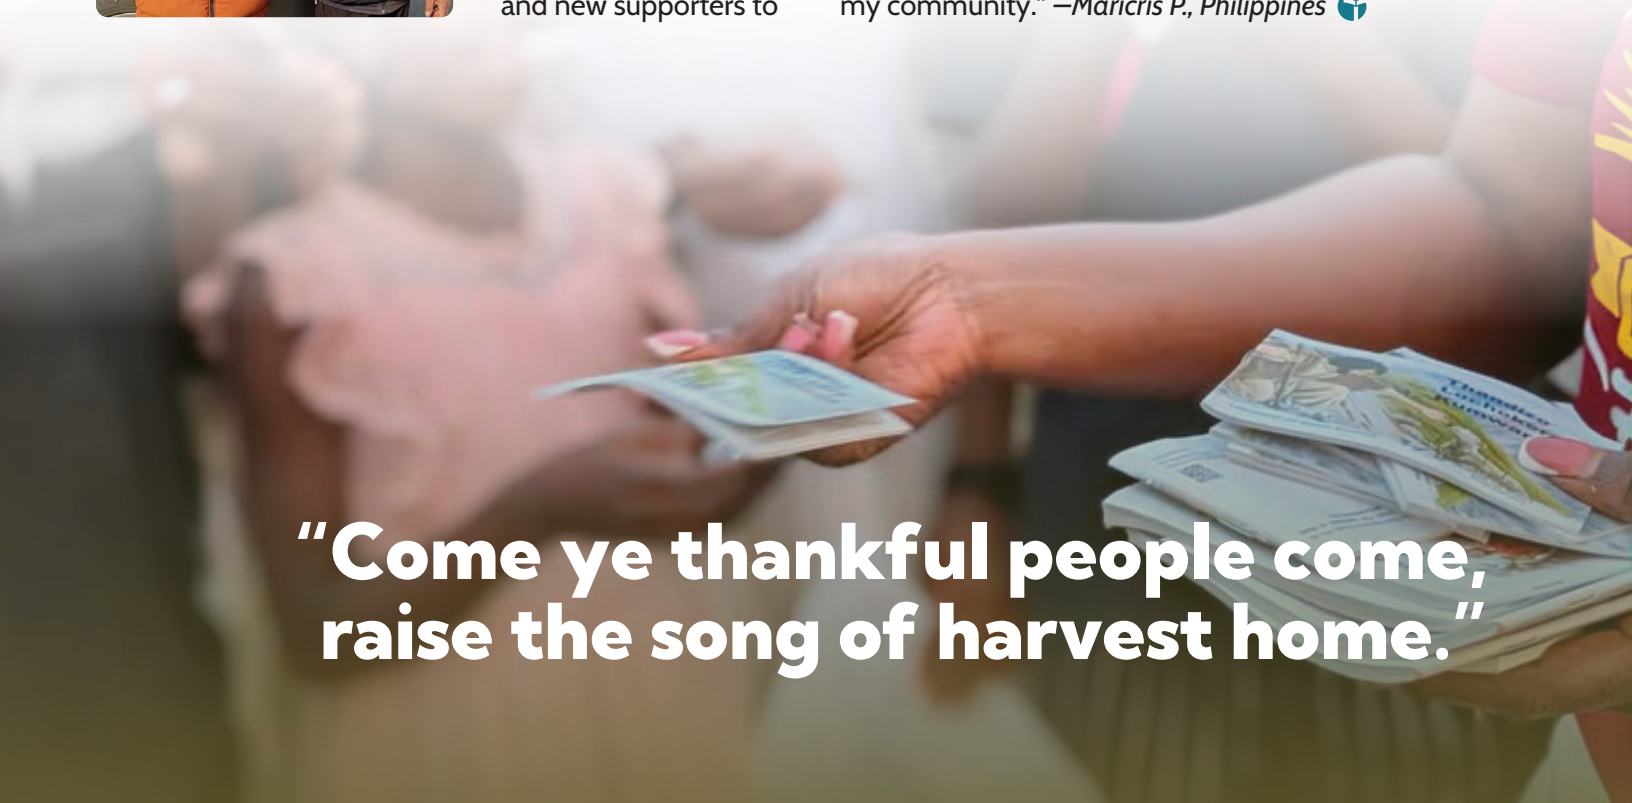

join WMP in obeying His command to GO and TELL. **Where God leads, He also provides.**

“For the past 4 years we have been doing street ministry in Toronto. The moment we started distributing these booklets, people started to respond better. There are days people ask for these booklets to share with their friends and loved ones. World Missionary Press has been a blessing for us. May God bless this ministry abundantly and multiply it a million-fold. From the bottom of my heart, I am thankful to God and grateful to the Press for supporting so many individual missionaries out in the street with your booklets.” —Caleb S., Canada

Here is how God’s plan works, and why we **MUST joyfully and gratefully thank Him** and acknowledge all He has done, looking to Him for His continual working in the hearts of His people everywhere.

“I really want to start doing street evangelism right here in my own neighborhood. My focus is the younger generation in our area. It breaks my heart to see so many youths nowadays lost and struggling. I just really want to introduce them to Jesus. Thank you so much for helping me share God’s Word with my community.” —Maricris P., Philippines 🇵🇭

A large, artistic photograph at the bottom of the page shows several hands holding and displaying stacks of small, colorful Gospel booklets. The background is blurred, focusing attention on the booklets.

**“Come ye thankful people come,
raise the song of harvest home.”**

GIVE THANKS

Thank God for the plan of salvation; for His love, mercy, and grace to mankind. Pray as the printed Word is given and received, that many will respond to the call from a loving Father and Creator.

Thank God for each one who has responded to the command to go and tell, whether it be to a city or a neighbor. Pray for joy in the Lord's service and a close communion that comes from walking with the Lord as He leads.

Give God the glory and praise for how He has established and used WMP for 65 years to share the Gospel around the world. Pray that He will grant WMP increased opportunities and resources to supply His faithful ones with seed to sow for a heavenly harvest.

Praise God for open doors where we cannot see an open door. Pray that WMP will be attune to His leading and trust Him in all things.

Thank-You Notes: Two Booklets in Brooklyn

In July of 1985 I was a 24-year-old wedding photographer. During one of the weddings at a church ceremony in Brooklyn, NY, I picked up 2 booklets at the back of the church and put them in my pocket (**Help from Above* and *Satan vs. Christ**). I didn't know Christ personally, but was religious. I started to read the booklets on a regular basis and kept them in my car.

Every time I read them I experienced peace. The booklets allowed me to have an interest in the Bible and to start reading it. It was not until December 1st that the Lord made Himself known [and] I received Christ personally, and He has been my Lord and Savior for almost 41 years now. **I contribute my coming to Christ to reading the 2 booklets.** They were instrumental in leading me to the Lord.

Thank you and God Bless,
Peter
