

Prayer & Praise

To our faithful Prayer Partners,

It is a privilege to share with you the WMP blessings and needs each month as we continue to send God's precious Word around the world. In the near future, our monthly prayer guide will be undergoing some changes in presentation, but the opportunities to support us in prayer will be the same and deeply appreciated.

Our desire is to encourage prayer supporters from every generation and culture, and connect WMP through the same Spirit. The message we share is the same to ALL. As one body in Christ, we serve, we pray, we praise.

Thank you again for kneeling at the throne of grace with us.

—Helen W., Product Development Manager

November 2026

***Let us come before
His presence with thanksgiving;
Let us shout joyfully to Him
with psalms.
—Psalm 95:2***

01 Pray with us today as believers around the world join in observing the International Day of Prayer for the Persecuted Church. They are dear to our Father's heart and must be to ours as well.

02 Praise the Lord for His Word that is the same for all people in all languages and cultures, changing hearts and minds from generation to generation.

03 Pray for the people of Democratic Republic of the Congo living through the Ebola Epidemic. As of this date, 4,148 deaths have been recorded. Pray for those sharing the hope of eternity through Jesus Christ in these most traumatic days.

04 Praise God for WMP shipments that have been received in Venezuela, Netherlands, Madagascar, Brazil, Central African Republic, Zambia, Mexico, and Paraguay.

05 Pray for work being done by the WMP language team to prepare Scripture booklets in additional languages and add more titles to languages already offered. Requests continue to come in from our distributors asking for more titles and additional languages to reach into the farthest corners of their countries.

06 Praise God for answered prayer for staff members and their families. Thank the Lord for grace in times of hardship and disappointment.

07 Pray for our team traveling to Mexico City for a conference with leaders from South and Central America. Pray for safety, good health, and God-directed meetings.

08 Praise God for the publication of the new WMP booklet, *The Power of Hope*, in Spanish. A major part of this printing will be going into Mexico for distribution through the WMP national coordinator.

09 Pray for your nation, wherever you may be. Ask the Lord to grant just and honest leaders and freedom for the Gospel to be shared openly and effectively.

10 Praise the Lord for the printing equipment He has provided for WMP and for those who have the skill and devotion to operate and maintain each piece.

11 Pray for plans to obtain a second web press to print the inside pages of the booklets. This will provide a needed backup for our existing press and be useful as our production grows to meet ever-growing demand.

12 Praise God for almost 250,000 copies of the *2027 Scripture-Text Datebook* sent from our Prison Ministry Department, to over 600 chaplains around the USA. Thank Him for the many testimonies of support and comfort received through this unique publication.

13 Pray for the many, many volunteers who come so faithfully to help WMP in so many ways. Their joy, enthusiasm, and willingness to serve in any task is invaluable to the ongoing production. Ask the Lord to bless them and honor their labor for His glory.

14 Praise God for partner ministries such as Soles for Jesus, Every Home for Christ, and New Covenant Missions. Each one has a unique ministry from the Lord, in which the WMP Scripture booklets can be an added tool for bringing the love of God to those who have never known such love.

15 Pray for WMP communications through Facebook, X, Instagram, and YouTube. Pray for our media team as they introduce users to what God is doing through WMP.

16 Praise God for an expanding vision for the Gospel in northern Brazil, reaching into Amazonia and beyond. Our ministry partner in Northeast Brazil is establishing specific points of contact with area pastors, developing plans to provide WMP booklets to the region.

17 Pray for God to direct the WMP Board as they volunteer their counsel and support to WMP president, Tyler Bauer. Pray God will grant a oneness as Tyler presents his vision for the coming year's needs and opportunities.

18 Praise God for exciting reports from Venezuela. A previous shipment of Scripture booklets was successfully distributed, and a new supply was sent to help pastors minister after the tragic earthquake.

19 Pray that the Lord will touch hearts to provide the funding needed to meet the increasing need and requests for WMP Scripture booklets and Bible studies. Pray that as we use our publications and social media to communicate what is being done, we will also share the burden of what still needs to be done.

20 Praise the Father for giving us His Son, as Savior and example, which we are blessed to share. Thank Him for being the Way, the Truth, and the Life.

21 Pray for believers who live and worship in danger because of their faith in Christ. Pray that God's Word through the small Scripture booklets will encourage their hearts, knowing that God loves them and that Christians from far away are there to give them encouragement and uphold them in prayer.

22 Praise God for the safe arrival of a 40-foot container in Central African Republic. The shipment included a first-time printing of Scripture booklets in the Kaba language. Our national coordinator requested booklets in this language to present the Gospel to tens of thousands of Kaba speakers in Central African Republic.

23 Pray for opportunities for staff to share the vision and work of WMP with churches, Bible study groups, etc. Taking the Word to the world is a charge to each believer, whether individually or with other believers. WMP can be that channel for churches to join in making that possible through the printed Word.

24 Praise God for planning among various missionaries and evangelists for a country-wide outreach in Myanmar. It will require a large number of WMP Scripture booklets and will focus on the war-torn areas and refugee camps.

25 Pray for two containers ready to ship to Mexico. Pray for our consignee as he works to have all the documentation completed and preparations made in Mexico to receive and distribute the booklets.

26 Praise God for His faithfulness, to His people and to His Word. "Let everything that has breath praise the Lord."

Happy Thanksgiving!

27 Pray for the WMP language department as they work to get all the information needed to produce a Scripture booklet in the Wolof language, a major West African language spoken by 10-12 million people, primarily in Senegal.

28 Praise God for WMP staff members who have served faithfully for more than 40 years. Their love for the Lord and His Word is a continuing legacy for other, younger staff members.

29 Pray for our national coordinators as they manage distribution of WMP material in their country, work with WMP staff to keep supplies available, and provide vital reporting and testimonies. Each coordinator works with WMP shipments on a voluntary basis, having their own ministry and teams to maintain and support.

30 Praise God for the Holy Spirit, who opens the Scriptures, instructing and guiding the reader into all truth.
